Argument To-day in \$100,-000 Damage Case.

Justice Thomas F. Donnelly, in the Special Despatch to THE NEW YORK HEESI.B. the employees of the Brooklyn Rapid Supreme Court, will hear argument to-

Amalgamated officers have engaged in a conspiracy to violate the temporary injunction granted some time ago directing the union not to interfere with the business of the plaintiffs. This injunction, it is alleged, has been repeatedly violated and many of the employees of Fruhauf Bros. seriously injured by Amalgamated pickets.

Hilman and his counsel contend that the order requiring him to produce the union's books and papers is improper, as, they contend, it deprives him of his

The White Star Fleet

White Star service-standard of ocean comfortmaintains a single quality and excellence aboard every ship of our splendid fleet.

This flawless service has made the Olympic's international reputation. It has made the Adriatic a synonym for solid comfort on the sea, and has brought to the Baltic, Celtic, Cedric, Canopic, Cretic, Megantic and Canada the standing among travelers which every captain would like to have his vessel attain.

One reason for this excellence is the White Star tradition of reward for merit and consideration for the human needs of its personnel. Veteran and loyal service makes for your cheery comfort. White Star and White Star-Dominion ships land you at Southampton, Cherbourg, Liverpool and Mediterranean Ports.

It is still possible to obtain excellent midsummer and autumn bookings despite the travel congestion.

The importance of pure drinking water cannot be over-estimated. No one should be permitted to drink from unsanitary coolers or from water kept in open pails or buckets or in any other way where drinking water may be polluted. Impure water is a cowardly enemy. It seldom gives warning. It fights in the dark.

The "XXth Century" Cooler provides a perfect method of serving drinking water.pure and at a healthful temperature.

No ice can come into contact with the water. It is cooled in clean porcelain chamber and is drawn through a sanitary, non-clogging faucet.

factories and offices, the "XXth Century" Cooler eliminates time losses. It fills a glass of water in two seconds. It serves the water as cool as a crystal spring. It promotes health and increases the efficiency of em-
